Casablanca To Marrakech Tour Overview

A five-day tour from Casablanca to Marrakech, a city of historic landmarks, souks and gardens.

This tour takes you from Casablanca to Marrakech, one of Morocco's most visited cities.

Marrakech, one of the former imperial capitals of Morocco, is known for its landmarks, including Jemaa el-Fnaa, the souks, the city walls and gates, gardens, palaces and riads, mosques, tombs, the Mellah, museums, music, theatre and dance, crafts and Moroccan cuisine.

The Casablanca to Marrakech Tour visits several of these places over five days. The trip begins with a tour of Casablanca, the largest city and economic centre of Morocco. The tour then continues to Marrakech, the second largest city in Morocco, also known as the Pearl of the South. Here you will visit the 16th-century Saadian Tombs, the Bahia Palace, the Koutoubia Minaret, the Menara Gardens and Djemaa El Fna square.

The journey ends with a visit to the Atlas Mountains and an excursion to the Ourika Valley, a picturesque valley dotted with Berber villages at the foot of the Atlas Mountains.

The 5-day Casablanca to Marrakech Tour shows you the varied landscapes and settings of Morocco.
