A day tour to the best natural area in Kathmandu - Shivapuri

The Shivapuri hiking trip is considered one of the best day hiking trips, and its proximity to the capital makes it an ideal location for tourists who wish to explore the wilderness but do not wish to venture too far. After Fulchowki, Shivapuri is the highest hill station in the Kathmandu Valley. Hiking to Shivapuri is a short and easy adventure near the capital, Kathmandu. While the Shivapuri hike takes 5 to 6 hours to complete, it rewards hikers with spectacular views of Kathmandu, the surrounding countryside, waterfalls, and the Langtang Mountain range. A Nepali army checkpoint is situated on the area's southern border to protect the national park. Nagi Gumpa is situated at an altitude of 2330 m north of Kathmandu, just above Budhanilkantha Temple. This monastery is only well-known among nuns who practice Buddhism and foreigners who come to meditate there.

This one day shivapuri trip can be arranged as per your wish. Just give us a call on 9851017772 and we will arrange it.
